### Timings

Subscriptions relate to a calendar year of membership. For continuing members, subscriptions are invoiced in January or February and are payable within 30 days of invoice.

For new members joining part way through the year, subscriptions are adjusted according to the month of joining: Jan-April: full amount; May-August: two thirds; Sept-Nov: One third; December: no sub payable until the following year.

*Above rates as agreed by members at the Annual Members Meeting October 2021. The Trustees have resolved to hold subscription at the same rate as 2023 given the Cost of Living Crisis so that members can maximise their activity.*
